

With your stylish silver sandals and your ring bearing pouch, why would you choose an invitation style circa 1974? While tradition might be good for grandma, you're all about modernity, elegance, and all-out chic.

The new line of wedding invitations, "Something Different"® by Carlson Craft® is just what the doctor ordered.

With the ultimate choice in papers, ink colors, and decorations, plus custom designs through Stephanie Millner Photography & Design, you control the style. Hey, it's your day!

Remember: the invitation is the first impression your guests will have of your special day...

... make that impression count!
